The Mennonites of Brutus Michigan

This book was first published in the summer of 2009. I thank all of you who have already bought a copy or copies. Although it sold well, some copies still remain. It is also 152 pages long which may be too lengthy to be printed at home, so it will only be sold as a hard copy. This is a history of both the Old Order and the Indiana-Michigan Conference Mennonites.

Contact me to find a seller location, or I may send the book to you by mail. The price is \$15.00. Also contact me if you have a question. In the five years since publication, I have received very few comments about mistakes in the book. Great! I will use this page to update the book, primarily those who have left us.
